Vendor Information

The Chromatography Forum of the Delaware Valley contains many of your current and future customers. They are all coming to the Spring Symposium, April 12, 2012. **You need to be there.**

There will be a full day of eight invited lectures. There will be simultaneous sessions for vendor seminars and contributed lectures, and a poster session. The Technology Tour, promoted by the \$200 raffle, will bring 95% of the conferees to your booth, based on last year's results. More details coming in the Symposium Flyer.

Morning and Afternoon breaks will be in the vendor area. A great buffet lunch in the restaurant with your customers. Free too. Lunch for vendors begins early, if you prefer to get back to your booth sooner.
